

HFC Adult

Fresh Chicken M-L

Also Available: Fresh Salmon XS-S Fresh Pork XS-S Fresh Chicken XS-S Fresh Salmon M-L Fresh Pork M-L

HFC Adult dry kibble recipes are manufactured from HFC ingredients, that is, originally fit for human consumption and now used in our recipes for dogs. The same quality as we would choose for ourselves. HFC Adult dry kibble recipes with 100% fresh whole meat and 0% meat-and-bone meal or dehydrated meat/fish guarantee high nutritional value and digestibility thanks to reduced storage and processing stages (digestible protein up to 98.73%, Journal of Veterinary Science & Research, 2022). A complete single-protein pet food with rice as the sole grains source and balanced with fruit and vegetables such as apples, blueberries, spinach and carrots, naturally rich in vitamins and minerals. Glutenfree and without artificial preservatives or colours, HFC Adult dry kibble recipes meet the daily dietary needs of medium and large breeds of adult dogs. Almo Nature recommends rotating recipes regularly, by offering different protein sources and adding a small quantity of wet food recipe to ensure a varied diet and cater for all palates. The plastic and aluminium poly-bag, chosen for proper product storage, can be reused to produce energy if disposed of correctly. HFC Adult – 3 dry kibble recipes for adult dogs, medium and large breeds – available in 1.2 kg and 8 kg bags. Almo Nature is the activist pet food brand owned entirely by Fondazione Capellino.

Range	Product Name	Type Dry	Weight
HFC Adult	Fresh Chicken M-L		1.2 kg
