

Algo Stress

CALMING SPRAY

ACTIONS

- ✓ Soothing and calming properties
- ✓ Reduces stress-related behaviors
- ✓ Helps reduce nervousness and anxiety
- ✓ Ideal for travels and new arrivals

INGREDIENTS

LAVENDER + BASIL

Linalool in essential oil of lavender, acts on the dopaminergic receptors and will relax the animal

MARJORAM + ESSENTIAL OILS COMPLEX

Terpinen-4-ol and Sabinene provide soothing properties. Esters and monoterpene alcohols heal and soothe damaged tissue. The essential oil of Marjoram inhibits the neurotransmitters responsible for the excitement and brings this property of relaxation.

DIRECTIONS FOR USE

Shake before use. Spray in the pet's environment (pillow, basket, transport case or seat...). Do not spray towards your pet's head. Avoid contact with eyes.

Complementary products: BIOSPOTIX Fresh'n'Clean Spray.
