

**Technical features:**

Choice of two different levels

Luminous flux	62	35	Lumen
Runtime	3	6	Hours
Working current	104	52	mA
Voltage	5.7	5.7	V
Output power	0.6	0.3	W

**Charging device:**

USB Cable	Type A male - Type C		
Length:		50	cm
Weight:		15	gr

**Battery:**

Li-ion Polymer	PN503040- 600mAh		
Weight:		18	gr

**Charging times:**

Standard charge:		5,5~6,5	h
Rapid charge:		1,5~2,5	h

**Resistance:**

IP 54	Housing dust resistant and splashproof		
-------	--	--	--

**Add. features:**

back light/red flashing light  
 easy mounting with the help of a velcro  
 matching cap (to protect the velcro when  
 the lamp is not used)
