

HFC Complete

Mackerel with Potatoes

Also Available: [Chicken with Carrots](#) [Chicken with Green Beans](#) [Mackerel with Sweet Potato](#) [Tuna with Pumpkin](#) [Salmon and Tuna with Carrots](#) [Kitten - with Salmon and Tuna](#)

Adult 1+ year **Complete**

HFC Complete wet food recipes are prepared from HFC ingredients, that is, originally fit for human consumption and now used in our recipes for cats. The same quality as we would choose for ourselves. A range of complete wet recipes for adult cats made with HFC meat or fish and vegetables, supplemented with minerals and vitamins to provide your cat with a varied diet and everything they need on a daily basis. Ideal for keeping your cat naturally hydrated; also suitable for cats that do not like dry kibble. Almo Nature recommends a rotational diet by offering different protein sources and dry and wet food to both ensure a varied routine and cater for all feline tastes! Both the tin packaging and paper label are recyclable and, if disposed of properly, can be reused for more packaging. HFC Complete – grain-free soft texture recipes – available in 70 g tins. Almo Nature is the activist pet food brand owned entirely by Fondazione Capellino.
