

Almo Nature Urinary Help with Fresh Chicken

Also Available:

Adult 1+ year Complete

400 g 2 kg

Almo Nature Urinary Help kibble recipe, with a mix of up to 26% fresh whole meat or fish and dehydrated meat, is balanced with reduced levels of magnesium, calcium and phosphorus, combined with glucosamine to contribute daily to a healthy urinary system. Complete pet food is ideal for the daily dietary needs of adult cats, and also those with urinary tract problems. Free from GMOs, artificial colours or preservatives. Almo Nature recommends a rotational diet by offering different protein sources and dry and wet food to both ensure a varied routine and cater for all feline tastes. The plastic and aluminium poly-bag, chosen for proper product storage, can be reused to produce energy if disposed of correctly. Almo Nature Urinary Help – adult cats kibble recipe – available in 400 g and 2 kg bags. Almo Nature is the activist pet food brand owned entirely by Fondazione Capellino.
