

Almo Nature Kitten with Fresh Chicken

Also Available:

Kitten 2-12
months

Complete

400 g

2 kg

12 kg

Almo Nature Kitten dry food recipe, with a mix of up to 26% fresh whole meat and dehydrated meat, is ideal for kittens and pregnant or lactating cats. A nutritionally balanced pet food formulated to best meet the dietary requirements of your kitten from 2 to 12 months. Free from GMOs, artificial colours or preservatives. Almo Nature recommends a rotational diet by offering different protein sources and dry and wet food to both ensure a varied routine and cater for all kitten tastes. The plastic and aluminium poly-bag, chosen for proper product storage, can be reused to produce energy if disposed of correctly. Almo Nature Kitten – dry food recipe for kittens – available in 400 g, 2 kg and 12 kg bags. Almo Nature is the activist pet food brand owned entirely by Fondazione Capellino.
